

# Payment types

07/20/2024 7:14 am PDT

Payments can be made from anywhere in the world, allowing for international transactions with ease. Members can pay on the Heylo mobile app or website using debit card, credit card, Apple Pay, or Google Pay.

## Apple Pay

Apple Pay allows users to make payments using their Apple devices. To use Apple Pay with Heylo:

1. Ensure your Apple device is set up with Apple Pay.
2. Choose Apple Pay at checkout.
3. Complete the payment using Face ID, Touch ID, or your passcode.

## Google Pay

Google Pay is another popular digital wallet that integrates seamlessly with Stripe. To use Google Pay with Heylo:

1. Make sure Google Pay is set up on your device.
2. Select Google Pay during the payment process.
3. Follow the prompts to complete the transaction.

## Credit and Debit Cards

- Visa

- Mastercard
- American Express
- Discover
- JCB
- Diners Club
- China UnionPay

Paypal, Cashapp, and Venmo are not accepted.
