

Leave group

10/10/2024 4:42 pm PDT

Anyone can leave a group anytime. No one is notified when you leave.

To leave a group

1. Navigate to your account by pressing the photo on the top right
2. Scroll to the group and press the gear icon
3. Select "Leave"

Members can rejoin the group at any time and the profile will remain intact. However, joined [group chats](#) and [event sign-ups](#) will reset.

Members can continue to use any existing [private communications](#) on Heylo.
