# Heylo Enterprise for multiple chapter groups

09/03/2024 10:54 am PDT

Harness Heylo for all groups across an entire an organization with Heylo Enterprise.

Heylo Enterprise is best for:

- National or international organizations with multiple chapters
- Organizations with a single membership
- Organizations that have a desire to balance empowering local leaders with controls and analytics at the organization level
- Organizations with restricted access, like a university or company

Heylo Enterprise is used by world class organizations like Midnight Runners, Swish House, and Electric Athletic Club.
